This **Exclusive License Agreement** (the "Agreement"), having been made on and effective as of {CONTRACT_DATE} (the "Effective Date") by and between {PRODUCT_OWNER_FULLNAME} p/k/a {PRODUCER_ALIAS} (the "Producer" or "Licensor"); and {CUSTOMER_FULLNAME} residing at {CUSTOMER_ADDRESS} ("You" or "Licensee"), sets forth the terms and conditions of the Licensee's use, and the rights granted in, the Producer's instrumental music file entitled {PRODUCT_TITLE} (the "Beat") in consideration for Licensee's payment of \$ {PRODUCT_PRICE} (the "License Fee"), on an Exclusive basis.

This Agreement is issued solely in connection with and for Licensee's use of the Beat pursuant and subject to all terms and conditions set forth herein.

By purchasing this Beat/Riddim at ReggaeBeats.net the Licensee and Licensor have agreed to the following terms:

++Grant of Rights & Exclusivity++

Upon execution of this Agreement, the Licensor grants the Licensee exclusive rights to the Master Recording incorporating the Beat. The Licensor agrees to remove the Beat from public sale and will not grant any new licenses for the Beat to third parties after the Effective Date.

Prior Non-Exclusive Licenses: The Licensee acknowledges that the Beat may have been previously licensed on a non-exclusive basis prior to the execution of this Agreement. Any non-exclusive licenses granted prior to the Effective Date shall remain valid and in full force until the expiration or fulfillment of their respective contractual terms.

++Publishing and Royalties++

Master Royalties: The Licensee is entitled to keep 100% of all direct earnings generated from the sales, downloads, physical copies, and streaming of the Master Recording.

Publishing & Performance Rights (50/50 Split): The Publishing and Performance Rights (Writers Share) for the underlying musical composition remain split 50% to the Licensee (for lyrics and vocal arrangement) and 50% to the Licensor/Producer (for music creation). The Licensee MUST register the Producer share (50%) with any Performance Rights Organization (PRO) or Publishing Administrator under the Licensor's details:

Producer Name: Dominik Gall

IPI / CAE #: 00702878140

PRO: austro mechana (AKM)

++Stems & Master Recording++

The Licensor will provide the Licensee with full high-quality Audio Files (WAV) and individual Audio Stems for the Beat.

The Licensee is permitted to edit, alter, rearrange, and adapt the Beat and its Stems to fit the needs of the Master Recording. Reselling or licensing the Beat or Stems as a standalone instrumental product remains strictly prohibited.

++Credit++

The Licensee must give production credit to the Licensor on all commercial releases and distributed material (e.g. "Instrumental by ReggaeBeats Prod").

++YouTube, Social Media & Digital Fingerprinting++

Permitted Monetization (Direct Creator Monetization): The Licensee is permitted to post the Master Recording on their own official social media channels and to monetize it directly through the platform's native creator programs without limitations. This includes, but is not limited to:

- YouTube Partner Program (AdSense)
- TikTok Creator Rewards Program
- Instagram & Facebook Reels Bonuses
- Snapchat Spotlight Rewards

Prohibited: Automated Rights Management & Digital Fingerprinting: The Licensee is strictly prohibited from registering the Beat, its Stems, or the Master Recording in any automated content identification system, digital fingerprinting service, or third-party copyright administration platform.

This includes, but is not limited to:

- YouTube Content ID (via DistroKid, TuneCore, CD Baby, AdRev, Audiam, or any other distributor)
- Meta Rights Manager (Facebook & Instagram)
- TikTok Audio ID
- DistroKid's "Claim Your Sound" / "Social Media Monetization" feature
- CD Baby Social Media Monetization
- Any similar automated rights registration service

Why this is prohibited: Prior to the execution of this Exclusive Agreement, the Beat may have been licensed on a non-exclusive basis to other licensees. Registering the Beat, its Stems, or the Master Recording in any automated content identification system will automatically generate false and unlawful

copyright claims against these legitimate prior licensees, which is a direct violation of their rights and of this Agreement.

Consequences of Violation: Any violation of this section constitutes a material breach of this Agreement and will result in its immediate and automatic termination. The Licensee will be held liable for any and all damages caused to the Licensor or to prior legitimate licensees as a result of such violation.
