

Canaan Ene One Drop Signature Presets & MIDI Loops

This download contains a hand-crafted signature preset and 3 Island Reggae One Drop MIDI Loops by Canaan Ene, a multi-instrumentalist and successful Island Reggae producer from New Zealand, who contributed to many important reggae songs by artists like Fiji, High Watah, Fia, Steel Pulse and many more...

With this signature pack you can enjoy the original Island Reggae sound directly within Modern Reggae Drums Pro!

Here's how to install the files

Windows

- Copy the MIDI Loops to the default MIDI loops location
Documents\ReggaeBeats Prod\Modern Reggae Drums Pro\MIDI Loops
(or any other directory. Then simply browse them with the MIDI browser within Modern Reggae Drums Pro.)
- Copy the .preset file to
C:\Users\ReggaeBeats\AppData\Roaming\ReggaeBeats Prod\Modern Reggae Drums Pro\User Presets\Factory

Mac

- Copy the MIDI Loops to the default MIDI loops location
~/Documents/ReggaeBeats Prod/Modern Reggae Drums Pro/MIDI Loops/
(or any other directory. Then simply browse them with the MIDI browser within Modern Reggae Drums Pro.)
- Copy the .preset file to
~/Library/Application Support/ReggaeBeats Prod/Modern Reggae Drums/User Presets/Factory

Restart Modern Reggae Drums Pro and enjoy!
